DECLARATION IN SUPPORT OF PETITION

I, Mark M. Friedman, of 7 Haomanim Street, Tel Aviv, Israel, declare the following:

1. Since September 2001 I have been using the services of Mr. Bill Polkinghorn, of Discovery Dispatch, 9003 Florin Way, Upper Marlboro, Maryland, as my local correspondence address in the U.S. Patent and Trademark application of which I am the attorney of record.
2. As my local correspondent, I instructed Mr. Polkinghorn to receive all mail addressed to me at his address above. The mail I receive at Mr. Polkinghorn's address includes mail from the USPTO. Mr. Polkinghorn routinely ships all the mail addressed to me by courier and notifies me by telefax of the airbill number.
3. Based on receipt of all courier airbills I was advised of, I can state that all courier shipments that Mr. Polkinghorn has shipped to me have been received, and none has ever not been delivered.
4. I personally open the shipments received from Mr. Polkinghorn, and immediately and routinely record all actions received in my Hand Docketing Report. Immediately thereafter all items received are entered into the computer database. Attached herewith is a true copy of all entries on my computer database made on Serial No. 10/052,351, identified by my

docket 2298/5. No entry of docketing of a Notice to File Missing Parts appears thereon. This indicates that I never received a Notice to File Missing Parts on the above entitled application.

5. I have also reviewed the content of the file jacket of the above-identified application and it does not contain the Notice To File Missing Parts allegedly mailed by the USPTO on March 20, 2002.
6. Additionally, I have checked my Hand Docketing Reports from the period of March 20, 2002 until April 25, 2002 and no Notice to File Missing Parts for the above application appears. In order to clarify this report: “**File#**” relates to our file reference number, in this case 2298/5; the first “**Date**” indicates the mailing date, “**(m)**” refers to the number of months for responding to action; “**@**” indicates that the item has been docketed; “**Attny**” has the initials of the Patent Attorney appointed to handle the case; the second “**Date**” shows the due date for responding to the action. This Report is divided according to the action: Office Actions, PCT Search Reports, Allowances, PCT Written Opinions, etc. According to the Hand Docketing Reports, the Notice to File Missing Parts was never received by the undersigned.
7. I further declare that I have reviewed the database of all actions docketed – copies of new entries entered in the database between March 20, 2002 and April 25, 2002- enclosed herein. This report is a printout of all items docketed in the period of time that the Notice to File Missing Parts would have been docketed had it been received. As is evident from the attached docket sheets, no entry of docketing was made, and there is no record indicating receipt of a USPTO Notice to File Missing Parts that has a response due May 20, 2002.
8. I declare that the Notice to File Missing Parts was not received: I have searched the file jacket, hand docket records and computer database, and these indicate that the Notice to File Missing Parts was not received.

9. As such I can state with reasonable certainty that I never received such Notice to File Missing Parts with respect to this application at any time between March 20, 2002 and April 25, 2002.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed this 26 day of April 2004
